

JALEN JOHNSON

COMPUTER TECHNICIAN

904-729-6334
S3846453@STUDENTS.FSCJ.EDU
JACKSONVILLE FLORIDA

OBJECTIVE

To utilize my experience with hardware technology and troubleshooting to service company computers and devices, furthering my knowledge as I go.

SKILLS & ABILITIES

- Expertise in assembling and troubleshooting desktops
- Installing and uninstalling Windows version 10,11
- Understanding component compatibility
- Configuring BIOS/UEFI
- Customer service
- Familiar with Mac, Windows, and Linux
- Competent with basic hardware/software configuration

EXPERIENCE/PROJECTS

Running a freelance business off social media, where I researched, procured, and built 10+ custom computer solutions for clients, optimizing gaming, video editing, and work.

Reconditioning 50+ clients' workstations, cleaning, checkups, and modernizing clients' desktops by upgrading SSDs, RAM, driver updates, and quality of life optimizations.

EDUCATION

05/2026 **High school diploma, Sandalwood**

08/2025 **Florida State College at Jacksonville**

Majoring in computer information (enrolled in the summer)

05/2025 **Google IT support certificate**
